Mustard (Risk Source)	Factory
-----------------------	---------

Allergen Statement On Pack

May contain MILK and MUSTARD. Barley Malt Extract is gluten free (<20ppm).

Additional Allergen Information

We ensure that only gluten free ingredients are used within all of the products made at The Pie Life. Suppliers and ingredients are continuously assessed. A schedule of product testing is in place to validate absence of gluten in our products, conducted by a UKAS accredited lab to <20ppm. In-house rapid gluten swabs are also utilised for verifying the absence of gluten in raw materials and finished product. Where products are indicated as not having an allergen present this refers to the product not being formulated or wholly derived from the particular ingredient. MILK, MUSTARD, CELERY and SULPHITES are handled within the factory. Where allergens are stated as being present on the same line or equipment, controls and procedures are in place to limit the risk of contamination. Precautionary allergen labelling will be applied where risk assessment has deemed it necessary and will be indicated above. Although we are a PEANUT, NUT and SESAME FREE site and do not allow nuts, peanuts or sesame seeds on to site, some suppliers of spices use these ingredients within their factories and therefore cannot guarantee their absence. Where this is the case and risk assessment deem it necessary, the relevant precautionary labelling will be applied.

FREE FROM CLAIMS

Gluten-Free	Yes

HANDLING &
STORAGE
INFORMATION

Directions For Use
For best results, bake from chilled. Defrost in the refrigerator for 12 hours. To cook, leave pie in foil. Place on a baking tray in the centre of a pre-heated oven (200oC/ Fan 180oC / Gas Mark 6) for 15 minutes. These are only guidelines as appliances may vary. Always check food is piping hot before serving.

Storage Instructions
Store product frozen at -18oC. Once defrosted, keep chilled at <5oC and use within 3 days. Do not refreeze once defrosted.

Storage Instructions After Opening
Defrost in a refrigerator. Once defrosted, store at <5oC and use within 3 days.

Shelf Life from Time of Production	365 Days
Shelf Life Once Defrosted	3 Days

Listeria Monocytogenes (cfu/g or ml)	Target is Not Detected	Quarterly	=0	1	25

ORGANOLEPTICS

Appearance

Pastry is golden with a shiny top. Light scattering of thyme on top of the pie. No dark, burnt or discoloured patches. No denting, chipping or collapsing of the pastry. No significant boil out of sauce. Sauce should slowly cascade out of the pie when cut. It should not be loose/watery. Pieces of meat are generously distributed throughout the sauce. Meat size approx. 1cm x 1cm when cooked.

Taste

Filling has a rich, lamb flavour which is complimented by the addition of mint sauce.

Texture

Pastry has a melt in the mouth texture with a gently crumbly sensation when bitten. Not hard.

HAZARD CONTROLS

Metal Detection	Yes

SAFETY & WARNINGS	Product Health Warning							
	May contain bone.							
OTHER INFORMATION					Identification/Health Marks		GB LK006	
	Manufacturer Comments							
Product is baked in aluminium foil trays. 24 pies are placed in a food grade PE bag inside a cardboard case. A label is applied to the case which details the product name, ingredients, allergens, weight, storage and cooking instructions and the traceability information (batch number and Best Before). Layer cards are placed between layers of cases on the pallet. Cases are secured to the pallet with pallet wrap. Individual pies are metal detected through a Ferrous-in-Foil metal detector. Ferrous test piece of 2.5mm is used.
